

SCOTT M. KUNKEL

CURRICULUM VITAE

Last updated September 2026

CONTACT	Mail: scott.kunkel@unine.ch Website: https://scottkunkel.github.io/ ResearchGate: https://www.researchgate.net/profile/Scott-Kunkel OSF: https://osf.io/g8cxt/
RESEARCH INTERESTS	Sociophonetics, variationist sociolinguistics, second dialect acquisition, corpus linguistics, cross-dialectal variation, speech perception and production, language attitudes
EMPLOYMENT	Postdoctoral researcher Sep 2026 – University of Neuchâtel, Switzerland PI: Mathieu Avanzi Postdoctoral researcher Feb – Dec 2025 University of Konstanz, Germany “Perceptions of political charisma in low-status speakers” (PI: Tamara Rathcke)
EDUCATION	Queen Mary University of London (UK) 2021 – 2026 Doctor of Philosophy in Linguistics <i>Dissertation:</i> Native linguistic change among mobile speakers of French <i>Supervisors:</i> Adam Chong, Esther de Leeuw, Leigh Oakes <i>Examiners:</i> Bronwen Evans, Abby Walker Indiana University (US) 2019 – 2021 Masters in Linguistics Indiana University (US) 2018 – 2020 Masters in French Linguistics University of Georgia (US) 2012 – 2017 Bachelors in Linguistics (<i>cum laude</i>) Minor in French
ADDITIONAL TRAINING	Methods in Corpus Linguistics June 2024 Université Paris 8, France Advanced Core Training in Linguistics (ACTL) Summer School June 2023 University of York, UK Copenhagen Winter Linguistics School in Sociolinguistics March 2022 University of Copenhagen, Denmark Linguistics Society of America (LSA) Summer Institute June – July 2019 University of California, Davis Academic study abroad Sep 2014 – April 2015 Université de Tours, France

- PUBLICATIONS **Kunkel, S.** (In preparation). Multidimensional attitude effects in second dialect acquisition: Evidence from French dental stop affrication. For submission to *Journal of Sociolinguistics*. [\[Preprint\]](#).
- Kunkel, S.**, Chong, A. J. & de Leeuw, E. (Under review; Revise & Resubmit). The effects of cross-dialectal exposure on the perception and production of the French low vowel contrast. *Laboratory Phonology*. [\[Preprint\]](#).
- Rathcke, T., **Kunkel, S.**, Gallo, A., Canzi, M., Ramirez, A. Q., Streuber, S., Frassinelli, D. & Shikano, S. (Under review). The role of speakers' accent and ethnicity and listeners' political orientation on the perception and comprehension of spoken vs. written political statements. *Humanities and Social Sciences Communications*. [\[Preprint\]](#).
- Barnard, M., **Kunkel, S.** [co-first authors], Lamarque, R. & Chong, A. J. (2025). Listening effort across non-native and regional accents: A pupillometry study. *Language and Speech*. <https://doi.org/10.1177/00238309251389573>
- Kunkel, S.** (2025). Asymmetry in French speech-in-noise perception: the effects of native dialect and second dialect exposure. *Linguistics Vanguard*, 11(1), 25–37. <https://doi.org/10.1515/lingvan-2024-0247>
- Kunkel, S.** (2024). Longitudinal change in the adjective intensifier system of Hexagonal French. *Journal of French Language Studies*, 34, 398–430. <https://doi.org/10.1017/S0959269524000139>
- Kunkel, S.**, Passoni, E. & de Leeuw, E. (2023). Perceptual discrimination of phonemic contrasts in Quebec French: Exposure to Quebec French does not improve perception in Hexagonal French native speakers living in Quebec. *Languages*, 8(3), 1–24. <https://doi.org/10.3390/languages8030193>
-
- PRESENTATIONS INVITED PRESENTATIONS
- Kunkel, S.**, Frassinelli, D., Gallo, A., Link, P., Quiros-Ramirez, M., Shikano, S., Streuber, S. & Rathcke, T. (2025, October). Entendre le charisme : associations genrées et perception du discours politique ('Hear the charisma: gendered associations and perceptions of political discourse'). Talk given at the Séminaire Genre et Langage. Université Paris 8, France.
- Barnard, M., **Kunkel, S.**, Lamarque, R. & Chong, A.J. (2025, September). Entre l'œil et l'oreille : l'effort d'écoute face aux accents non natifs et régionaux ('Between eye and ear: Listening effort in response to non-native and regional accents'). Talk given at the Structures Formelles du Langage lab meeting. Université Paris 8, France
- Kunkel, S.** (2025, July). Perception of social variation. Guest lecture given in Tamara Rathcke's Speech Perception course. University of Konstanz, Germany.
- Kunkel, S.** (2025, May). Cross-dialectal exposure effects on the perception and production of the French low-vowel contrast. Talk given at Multisensory Linguistics Lab (MuSe lab) meeting. University of Konstanz, Germany.
- Kunkel, S.** (2024, November). Variation et changement longitudinal du système d'intensification dans le corpus ESLO ('Longitudinal variation and change in the intensifier system in the ESLO corpus'). Talk given at the Journée d'étude sur les intensifieurs en français. University of Fribourg, Switzerland.

Kunkel, S. (2021, December). Bidialectal French speakers' language attitudes and perception of gradient acoustic differences. Talk given at the Institute of Phonetics and Speech Processing lab meeting, Ludwig-Maximilians-Universität München, Germany.

CONFERENCE PRESENTATIONS

Fournier, N., **Kunkel, S.**, Riverin-Coutlée, J. & Auger, J. (2026, Oct). Investigating short-term accommodation in second dialect acquisition: Evidence from French migrants in Montréal. Talk to be given at New Ways of Analyzing Variation (NWAV54). Université de Montréal, Canada.

Barnard, M., Guo, R. **Kunkel, S.** & Lamarque, R. (2026, April). Expectation effects on listening effort in speech processing: Evidence from pupillometry. Poster presented at the Colloquium of the British Association of Academic Phoneticians (BAAP25). University of Warwick, UK.

Kunkel, S., Frassinelli, D., Gallo, A., Link, P., Quiros-Ramirez, M., Shikano, S., Streuber, S. & Rathcke, T. (2025, September). Testing primed associations of gendered political charisma using high-fidelity virtual avatars. Talk given at Embodied and Situated Language Processing (ESLP). Aix Marseille Université, France.

Kunkel, S. (2024, September). [tsy] es d'où? Evidence for language attitude effects on second dialect acquisition. Poster presented at East London Postgraduate Sociophonetics Conference (ELSoC). Queen Mary University of London, UK.

Kunkel, S. (2024, July). Effects of speaker mobility on perception of French speech in noise. Talk given at 12th International Conference on Language Variation in Europe (ICLaVE12), Vienna, Austria.

Barnard, M., **Kunkel, S.**, Lamarque, R. & Chong, A.J. (2024, June). Pupillary response as a measure of cognitive load in the processing of accented speech. Poster presented at the 19th Conference on Laboratory Phonology (Lab Phon 19), Seoul, South Korea.

Kunkel, S., Chong, A.J. & de Leeuw, E. (2024, March). The effects of dialect background and second dialect exposure on the categorical perception of the low vowel contrast in French. Talk given at the Colloquium of the British Association of Academic Phoneticians (BAAP24). Cardiff University, Wales.

Barnard, M., **Kunkel, S.**, Lamarque, R. & Chong, A.J. (2024, March). Listening effort across non-native and regional accents: a pupillometry study. Talk given at the Colloquium of the British Association of Academic Phoneticians (BAAP24). Cardiff University, Wales.

Kunkel, S. (2024, January). Effects of speaker mobility on perception of French speech in noise. Talk given at the 32nd Conference of the Student Organisation of Linguistics in Europe (ConSOLE), Queen Mary University of London, UK.

Kunkel, S. (2023, October). Longitudinal change in the adjective intensifier system of Hexagonal French. Talk given at New Ways of Analyzing Variation (NWAV 51). Queens College, New York, US.

Barnard, M., **Kunkel, S.**, & Packer-Stucki, T. (2023, June). Experimental methods in sociophonetics. Talk given at LISS-DTP Pathway 6 & 7 Research Day. King's College London, UK.

Kunkel, S. & de Leeuw, E. (2022, July). The effect of speaker mobility on the perception of two vocalic contrasts in a second dialect French context. Virtual talk given at the Conference of the Association for French Language Studies. Exeter, UK.

Kunkel, S. & Barnard, M. (2022, June). What's with the attitude? Methods and implications for studying attitudes towards language. Talk given at LISS-DTP Pathway 6 & 7 Research Day. King's College London, UK.

Kunkel, S. & de Leeuw, E. (2022, March). The perception and production of two vocalic contrasts in a second dialect of French. Virtual talk given at the Georgetown University Round Table (GURT), Georgetown University, US.

Kunkel, S. (2021, April). The influence of social class information on the perception of word-final liquid deletion in French. Virtual talk given at the Central Kentucky Linguistics Conference, University of Kentucky, US.

Kunkel, S. (2020, November). The sociolinguistic monitor and the perception of variable word-final liquid deletion in spoken French. Virtual talk given at the 56th Linguistics Colloquium, University of Rzeszów, Poland.

Kunkel, S. (2020, February). Attitudes and language awareness in a second dialect of French. Talk given at the Sociolinguistics Symposium, University of Illinois Urbana-Champaign, US.

Kunkel, S. (2019, July). A rapid and anonymous survey of T/V pronoun usage in Montreal French: A touristic perspective. Poster presented at the LSA Linguistic Institute 2019 poster session. University of Davis, California, US.

Kunkel, S. (2019, April). Shift in the use of gendered pronouns in sociolinguistic literature. Talk given at the New Interdisciplinary Conference on Linguistics Area Studies (NICOLAS). Indiana University, US. April 2019.

Kunkel, S. (2019, February). 'C'est vachement different': Longitudinal trends of change in Hexagonal French intensifiers. Talk given at Crossroads Interdisciplinary Graduate Conference, University of Georgia, US.

TEACHING

University of Neuchâtel

Python for Digital Humanities (UG)

Fall 2026

University of Konstanz

Sociophonetics (UG)

Winter 2025

University College London

Graduate Teaching Assistant (to James White)

Introduction to Phonetics (UG, PG)

Fall 2023, Spring 2024

Queen Mary University of London

Graduate Teaching Assistant

Phonology I (UG) with Adam Chong

Spring 2022

Indiana University

Public Oral Communication (UG)

Fall 2020, Spring 2021, Summer 2021

Reading French for Graduate Students (PG)

Spring 2020

Second-Year French I: Language and Culture (UG)

Fall 2019

Elementary French II: Language and Culture (UG)

Fall 2018, Spring 2019

ADDITIONAL TEACHING EXPERIENCE	Instructor of French as a Foreign Language Hybrid Education in Greater Atlanta (HEGA), USA [online]	Sep 2022 – May 2023
	Instructor of English as a Foreign Language Instituto Benjamín Franklin de Yucatán, Mexico	Jan 2018 – May 2018
WORKSHOPS ORGANIZED	Bayesian statistics for social scientists Four-week LISS-DTP Advanced Research Methods course	Feb 2025, March 2026
	Introduction to conducting Bayesian analyses in R Graduate workshop on Bayesian statistical analyses at QMUL	October 2024
	Experimental Linguistics Taster Day Pupillometry workshop for secondary school students in London, UK	June 2024
	Experimental Linguistics Summer School Eye-tracking workshop for undergraduate students at QMUL	May 2023
SERVICE AND REVIEWING	Co-organizer of the Konstanz Linguistics Conference (KLC)	Spring – Fall 2025
	Coordinator for the QMUL Sociolinguistics Reading Group	Fall 2021 – Spring 2022
	Assistant Editor, Linguistics Club at IU Working Papers	Spring 2019 – Spring 2021
	President of the IU Linguistics Club	Fall 2020 – Spring 2021
	Treasurer of the IU Linguistics Club	Fall 2019 – Spring 2020
	French Linguistics Graduate Student Representative	Fall 2019 – Spring 2020
	Journal submission reviewer: Languages, Second Language Research	
STUDENT MENTORSHIP	Conference abstract reviewer: Konstanz Linguistics Conference (KLC), Conference of the Student Organisation of Linguistics in Europe (ConSOLE)	
	University of Konstanz – Margarita Undalova (MA thesis supervision) – Alec Gallo (predoctoral RA mentorship)	May 2025 – March 2026 Feb – May 2025
	University of Georgia Academic tutor (Study of Linguistics, French Linguistics)	Spring – Fall 2017
ADDITIONAL RESEARCH EXPERIENCE	Stimuli development • Lund University, Sweden “Children’s perceptions of accents: The development of linguistic stereotypes” PI: Carita Paradis	Dec 2022 – Feb 2023
	Data annotation • QMUL “Dialogue act labeling in IETF email data” PI: Mladen Karan	May 2022 – Dec 2022
	Sociolinguistic interviews • Indiana University “Second dialect acquisition among French speakers in Montreal” MA research project	June 2019
	Text data collection • Indiana University “Methodologies for investigating negation in Picard” PI: Julie Auger	Fall 2018

	Dialectology interview transcription • University of Georgia “Automated large-scale phonetic analysis: DASS” PIs: Margaret Renwick & William Kretzschmar	Spring 2016 – Fall 2017
AWARDS AND GRANTS	Procope Mobility Grant • Université Paris 8 €2,250 for research stay at Structures Formelles du Langage lab	Sep 2025
	LISS-DTP Overseas Fieldwork Funding • QMUL £5,000 for PhD research in Quebec and France	Spring 2022
	ESRC LISS-DTP +3 Studentship • QMUL Full PhD funding (stipend, tuition, and research costs)	Sep 2021 – Sep 2024
	Fred W. Householder Best Research Paper Award • Indiana University “The perception of dental stop assibilation in two dialects of French” With Arielle Roadman & Lauren Perkins	Fall 2021
	FRIT Research Fund • Indiana University \$477 for participant recruitment (MA research project)	Fall 2020
	Albert Valdman Research Award • Indiana University \$400 for research on French expatriates in Montreal	Spring 2019
	Gravit Fund • Indiana University \$5,300 to attend LSA Summer Linguistics Institute	Spring 2019
LANGUAGES	English (native), French (C1/C2), Spanish (B2), German (A2)	
SKILLS	Coding: R, Python Experimental design: Gorilla, PsychoPy, jsPsych, Experiment Builder, Qualtrics Speech analysis: Praat, Montreal Forced Aligner, ELAN, WhisperAI Corpus tools: AntConc, Sketch Engine, Microsoft Excel Statistical modeling: Mixed-effects models (frequentist, Bayesian), GAMMs, growth curve analysis, principal components analysis
